- Copy below web address into browser

<http://extranet.immucor.com/layouts/eNotification/Login.aspx>

This will take you to the
Immucor login page

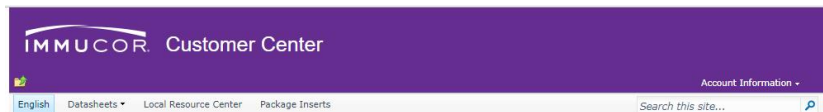

The screenshot shows the Immucor login page. At the top left is the IMMUCOR logo. Below it is a language selection dropdown menu set to 'English'. To the right of this is a welcome message: 'Welcome to the Immucor Customer Center (formerly User Group)! Our online center is a convenient and efficient way for our global customers to be updated with important and actionable information.' Below the language menu are input fields for 'Email Address:' and 'Password:'. To the right of the password field is a 'Forgot your password?' link. Below these fields is a checkbox labeled 'Remember me on this computer' and a 'Login' button. At the bottom left is the 'IMMUCOR Learn' logo with a red blood drop icon and the text 'Click the 'Login' button to access LEARN'. To the right of the login button is a 'Register Now' button. On the right side of the page, there are several paragraphs of text: 'By registering here, you may review and download our product catalog, MSDS sheets, package inserts, lot-specific master lists, shipping calendars and more!', 'For United States customers, you will receive proactive, electronic communications to keep you informed on your product shipments, field actions, technical communication and Immucor news. In addition, you will be able to access our Lab Education And Resource Network (LEARN).', 'Immucor's LEARN offers on-line continuing education courses for Immucor Customers. The courses may be accessed through the Customer Center at any time by registered customers. P.A.C.E., Florida and California continuing education credits may be earned at no cost to you. Courses that will be developed over time cover all levels of knowledge from basic blood banking and instrument operation to troubleshooting and more complex case studies.', 'To register, click on the "Register Now" button below. We look forward to having you as part of our online community.', and '*Note: The Customer Center is reserved for current Immucor customers. An Immucor customer number is required to register. If you are new to Immucor and looking for more information on our products, please contact 855.IMMUCOR (855-466-8267) or 770.441.2051 to be connected to an Immucor representative for further assistance.'

You will be taken to the below screen.

Welcome

Welcome to the Immucor Customer Center! Our Customer Center was designed to enhance your experience with Immucor by making it easier to quickly access the tools you need to run your blood bank laboratory. Within our Customer Center, you will find key information about Immucor products such as Package Inserts, SDS, and lot-specific Master Lists. Take advantage of customized information specific to your local region of the world. We hope you agree that this site helps bring value to your partnership with Immucor. Thank you for your business!

Click on the CoA icon to take you to the search function

A screenshot of the IMMUCOR Customer Center website. The top navigation bar is purple with the IMMUCOR logo and 'Customer Center' text. Below the navigation bar, there are links for 'English', 'Datasheets', 'Local Resource Center', and 'Package Inserts'. A search bar with the placeholder text 'Search this site...' and a magnifying glass icon is circled in red. A red arrow points from the search bar down to the text below. The main content area is titled 'Certificates of Analysis' and contains a paragraph: 'Product Certificates of Analysis (CoA) are provided by Product Name, Product Code and Lot Number.' Below this is a section labeled 'COA' with a list of five items: 'Tier A', 'Tier B', 'Tier C', 'Tier D', and 'Tier E', each preceded by a square bullet point.

Enter batch number of required CoA,
then press the search icon 
Enter key will not action the search

- The CoA will now appear as an accessible PDF file, that you can open and save to a location of your choice

A screenshot of the IMMUCOR Customer Center website. The header is purple with the IMMUCOR logo and 'Customer Center' text. Below the header, there are navigation links for 'Site Actions', 'Account Information', 'English', 'Datasheets', 'Local Resource Center', and 'Package Inserts'. A search bar contains 'This Site: COA' and the search term '358017'. Below the search bar, it says '1-1 of 1 results'. A single result is shown as a PDF file: '0007865-358017 2018-12-14.pdf'. The file details include '0007865 ... Gamma EGA Kit', 'Authors: Jackson, Tyrone', 'Date: 2017-05-14', 'Size: 1MB', and the URL 'http://extranet.immucor.com/EN/COA/Tier D/0007865-358017 2018-12-14.pdf'. There is also a 'No refinements available' message on the left side of the results area.

Notes:

Once a CoA has expired it may be removed for access.

Some CoA's are loaded with an Alpha reference, if Alpha reference not recognised try searching just for the batch number
